**flower moon
you and I in love
with her**

Presence, Issue 77, November 2023
Alvin B. Cruz

Reaction

Dude, that "flower moon" thing? Pretty. But then, "you and I love her?" That's messed up. Like, it's a nice picture, but then you realize it's about both of you liking the same person, and it's just...weird. Are you friends? Enemies? It's like, a pretty moment, but also a total brain tripping.
